

I am getting more and more prerecorded telemarketing calls every day. I get them from psychic hotlines, sales groups, political groups, etc. and I am tired of it. Something has got to be done to stop this madness. It is a crying shame that the calls begin at 8:00 a.m. and don't stop until 9:00 p.m. and will continue in this manner 7 days a week. Even God rested on Sunday. There should be NO exemptions to the national do-not-call list, even for tax exempt callers. I don't pay upwards of \$30.00 monthly to have a telephone that I dread picking up everytime it rings. It's MY telephone and I pay the bill, I should be able to decide if I want harassing and annoying phone calls. It seems that there are more and more fees that I have to pay just to maintain my privacy. I have to pay for caller-ID, then more to block "anonymous" calls, and even more again to have an unlisted number. Now the phone company wants me to pay even more for "privacy manager" yet I have heard that the phone company is selling my number to the telemarketers. The people making these calls should be paying for the privilege, and not force me to pay more and more to try to have some peace and quiet. PLEASE DO SOMETHING
